Virtual Church Council Meeting.

Monday 1st June, 7.30pm. The primary business will be to update the church on progress with different aspects of our property development. We are at an important juncture where church-wide consultation is essential. Other business will be added as necessary. As we are not holding our annual church meeting scheduled for this date, the meeting will be open to all the congregation. To join the meeting you can either use the link above or call the dial-in number shown – just enter the meeting ID and password (each followed by the # key) on your phone keypad when prompted. If neither of these options is convenient, please make a telephone appointment with our minister, Alan, who will guide you through the business to be discussed at the meeting.
