Property Update. Now that restrictions on accessing the church building for maintenance work have been relaxed, we are able to get back to some of the jobs that were planned before the lock-down. This week, work has been taking place to restore the Sunday School floor and, at the same time, the panelling at the front end of the room has been stripped ready to be finished in a lighter colour. The skirting board has also been removed so that it can be treated to match. Watch this space for further developments over the coming weeks.

On-line Bible Study Group. This Tuesday evening we will continue our 7-week course entitled, "Church Unleashed – what we can learn from Acts". We hope that many will be able to join us for this opportunity to share in fellowship together with our friends from All Saints.

Copies of the study guide (£4.97) can be ordered from <https://www.eden.co.uk/church-spring-harvest-2020-study-guide/> (large print and ebook options available).

Signs of Hope. The final part of our Circuit 'Signs of Hope' project is now completed and is on both the Circuit Facebook page and at www.snahmc.org.uk. Thanks to everyone who contributed the marvellous photos for the project.

Quote of the Week

"Trying to do the Lord's work in your own strength is the most confusing, exhausting, and tedious of all work. But when you are filled with the Holy Spirit, then the ministry of Jesus just flows out of you."

"When a Christian shuns fellowship with other Christians, the devil smiles. When they stop studying the Bible, the devil laughs. When they stop praying, the devil shouts for joy."

Corrie Ten Boom (1892–1983)
