**Light a Candle for Ukraine.** In response to the situation in Ukraine, we are opening up the church a few times each week to allow anyone who so wishes, to come in to light a candle and say a prayer for Ukraine. Most weeks, the church will be open 10am-12pm on Monday, 12-2pm on Tuesday and 2-4pm on Thursday, as well as during our coffee morning on Saturday. Please do drop in during one of these times if you are able. We are also looking for more volunteers who would be willing to be around to welcome any visitors, so please get in touch with a member of the leadership team if you are able to help.

## **Support for Ukrainian Refugees**

You may be aware that the government has released information about Homes for Ukraine for those in the UK able to offer accommodation. We are asked to help get the word out that the Homes for Ukraine scheme has opened, and people and community groups can find information about this on [gov.uk/homes-for-ukraine](https://www.gov.uk/homes-for-ukraine). Reset UK, which is the government funded capacity building at [www.resetuk.org](https://www.resetuk.org), also offer a 'matching' site for potential hosts and refugees who do not have or who don't know a family they can name. The schemes so far are for individuals. There will be scheme for groups (including churches) which will be announced at a later date. Offering accommodation is unlikely to be possible for many of us, but there are many other ways we might be able to support refugees arriving in our area. Coming together to provide information packs on facilities in our areas for example, offering the use of our buildings for displaced people to meet, socialise and network or providing language support as well as offering general hospitality and friendship. As the situation develops, we will be looking to share information about people arriving in our areas and how those wanting to help can get involved.
