This Week's Bible Readings

Acts 9:36-43

Psalm 23

Revelation 7:9-17

John 10:22-30

Please use these readings in your personal devotions this week.

Giving. As previously reported, the last two years have been very challenging for our church finances, and we are grateful to those who have continued to give faithfully by bank transfer, cheque or cash on a Sunday morning. According to the financial projection that was presented at our Church Council meeting last month, for the first time in several years, our income this year will be about in line with expenditure. However, our reserves are quite depleted and need to be rebuilt, so please think and pray about additional giving or any fundraising ideas that you could put into practice to help towards this.

Light a Candle for Ukraine. Depending on the availability of volunteers, we will continue to open up the church a few times each week to allow anyone who so wishes to come in to light a candle and say a prayer for Ukraine. The church will be open at various times through the week, as well as during our coffee morning on Saturday. Please do drop in during one of these times if you are able. We are also looking for more volunteers who would be willing to be around to welcome any visitors, so please get in touch with a member of the leadership team if you are able to help.

Please remember in your prayers this week:

- Our friends in the **Buckden** congregation
